An incredible opportunity in one of the most sought after locations in Marbella East. Houses in Hacienda Las Chapas like this do not come on the market very often. Walking distance to the beach, with wonderful seaviews from the upper floor. The villa has 4 bedrooms all ensuite with 2 master bedrooms. One bedroom is located downstairs for ease of access. Upstairs has 3 bedrooms. Downstairs is an incredibly spacious lounge dining area adjoining a conservatory leading to the garden terrace over looking the pool. A seperate huge kitchen and dining area is located close by the lounge. Wood has been used extensively throughout the building to wonderful effect. Including a stunning minstrel gallery in the entrance hall. The property has a large plot with a wonderfully maintained garden and a large pool. A large garage and a 3 car parking area serves all needs. A really amazing property priced to sell.
