Solaris is surrounded by nature, sun and unbeatable views of the Mediterranean. The complex features an adult pool and a children's pool, football pitch, padel tennis courts, artificial grass pitch with goals and the outdoor fitness area. It also has a children's play area and bicycle parking zone.

This development offers 2 and 3-bedroom apartments, all south-facing with large terraces, large interior spaces, big windows, and a communal sundeck area where you can enjoy the stunning sunsets over the Mediterranean. In the sale price is included a storeroom and a parking place for your convenience.

At Solaris you can customize your property. You can choose from different finishes of ceramic flooring, paint for the interior walls or the colors of the kitchen furniture and counters. You will also be able to separate the livingroom from the kitchen, choose between a bathtub or shower tray or modify how the windows open, among others.
