Exceptionally located in the famous Marbella Golden Mile, the Complex is a luxury community of buildings with more than 25.000m² of extraordinary gardens, beautiful sea views, 4 swimming pools, a social club, 24 hours security, and an extensive maintenance program offering even Laundry, and cleaning services for the owners/tenants.

The only two properties available are amazing duplex penthouses with lots of natural light, huge outdoor spaces, astonishing panoramic views and lots of privacy.

The most qualitative materials are being used in the creation of this masterpiece.

The project is being sold off plan.
