Sale of olive grove in Malaga, municipality of Ronda.

Sale of olive groves in production of the "picual" variety (also called marteña) with a total area of 36.6 hectares in the province of Malaga in the municipality of Ronda. Well comunicated.

It includes a house to reform, a 150 m2 agricultural warehouse, electricity, a water well, a water pond, and machinery composed of:

- -New Holland 175 rubber tractor (quite large and powerful), with its shovel, Tenia brand.
- An atomizer of 3000 liters. Both, both the tractor and the sprayer, about 6 years old, used only on the farm.
- -Trailer of 13000 kg capacity.
- -Cultivator (to plow).
- -A scraper (to leave the ground smooth and prevent cracks from appearing in summer)

The farm has a subsidy every year, called PAC of about 9000 Euros.
