Property built in what was an old rice mill from the 19th century, which once belonged to the Larios family.

It has 2 large and bright floors. On the ground floor we find a spacious living room with large windows protected by wooden shutters that give it a picturesque and cozy character. The living room, about 40 m², has a fireplace and direct access to the garden that surrounds the house. Garden with a porch area at the front and uncovered on its entire side. Surrounded by lots of vegetation, flowers and fruit trees. On the ground floor there is also the kitchen, from which you can go out to the porch and 2 large bedrooms, one with an en-suite bathroom, as well as a toilet in the corridor.

On the first floor, which could be considered independent from the rest of the house, is the third bedroom, with almost 40 m², with windows on three of its four walls, with views of the valley and fruit trees, the landscape is spectacular. It also has an en-suite bathroom with a bathtub and shower and a large dressing room.

The house was rehabilitated with old, high-quality materials recovered from palaces in Cádiz from the late 17th century.

The community enjoys a large swimming pool, surrounded by lush lawns and gardens.

San Martín del Tesorillo, the town where this outstanding property is located, is 9 km from Sotogrande and its beaches and is 15 minutes from the main polo fields in the area as well as its prestigious golf courses (Valderrama, La Reserva or San Roque).

The place is ideal for those looking for tranquility and rest and at the same time sports or social activities.

The international school of Sotogrande is only 15 minutes away, Gibraltar 20 minutes and Malaga, with the international airport and AVE, 1 hour away.

It also includes a parking space.
