LOWERED IN PRICE For a quick sale, this very pretty piece of urban land close to Moriscos de Colmenar and Casabermeja.

It is allowed to build a house on of more then 180 m2 meters. The papers are in order, and electric and water is already there.

The views are amazing.

You are close to Colmenar and still live the dream of the outside living in Spain.

you are allowed to build a very nice house on the plot and as well have enough square meters for a good vegetable and fruit garden. With solar panels installed you can create and almost independent way of living here.

A must see.
