A stone staircase takes us to the roof terrace, another charming space ideal for relaxing and sunbathing practically all year round.

Once again inside, and going down to the lower floor, you will find the 3 bedrooms, all exterior, with a built-in wardrobe and 2 of them with an en-suite bathroom. In addition, the main one with access to a beautiful terrace that in turn guides us through a spiral staircase to the garden of the property. It is right here where you will have access to an open space that has been converted into a gym and where a Finnish sauna is installed.

The entire house has been renovated with great taste, taking care of every detail. Extras include the beautiful marble floor, the rustic fireplace in the living room, double glazing, and independent air conditioning.
