house. All have large and attractive en-suite bathrooms. Majestic staircases descend to the terrace immediately below which has been laid out as another area of the formal garden, where fish ponds and tranquil sitting areas are enjoyed. A large part of the hillside of the estate has been cultivated with 1 hectare of vineyards producing really good quality "Reserva" grapes and over two hectares of olive trees. On one of the hillsides above the house, the owners have

created a small Mediterranean garden amongst the trees, just another delightful place to discover as you explore this watodelifthementent.es www.ImmoMoment.es +34 951 550 565
