This extraordinary development is situated between Marbella and Sotogrande, just five minutes away from the beach, with an expected completion date in 2027. Designed in collaboration with Missoni, each apartment in this residence presents a contemporary Mediterranean style, and is complemented by the abundance of natural light. Every unit offers captivating views of the golf course and the sea, with some units also providing stunning vistas of the Finca Cortesin golf course. Each apartment is accompanied by a minimum of one parking space and one storage unit.

This exclusive community presents a range of 2-, 3-, and 4-bedroom residences, starting from €909,000.

Residents can indulge in the luxurious amenities, including a grand infinity pool, dedicated areas for children completed with a kids' pool, a fitness center, a tennis court, and a community garden offering panoramic views stretching from Marbella on the left to Gibraltar on the right. Enjoy the premium services of a gated community, which includes a private entrance and 24-hour security.
