The land is on the corner, is on the edge of the Sierra de Mijas, good access, magnificent views of the Guadalhorce Valley and really private. On the property there is a house built on two floors with a total of 110m² which needs to be modernized. It currently consists of a garage, living room, bathroom and a bedroom on the main floor. Upstairs a spacious second bedroom. Back porch, large outdoor parking area. As mentioned the property needs renovation but has great potential.
