Utility room

Don't miss the opportunity to acquire this one of a kind property! This property for sale has a plot of 75m2 and a distribution on three floors with approximately 180m2 built.

On the first floor you will find a spacious living room, a single bedroom, kitchen, bathroom and another room, plus a small courtyard. The living room has a cozy fireplace and balconies overlooking the street.

The second floor has another living room, kitchen, bathroom and a single bedroom.

The third floor will surprise you with a double bedroom with balcony overlooking the street, another interior double bedroom with window and a small terrace with storage-laundry room, a perfect space to enjoy the views of the city!

In addition, this property offers the possibility of converting into two dwellings, making it an ideal investment for those looking for a property with profitability potential.

The first floor entrance has an access staircase to the second floor and, although it needs some renovations on the first floor, this property is a unique opportunity to create the home of your dreams in the heart of the city. Do not hesitate and contact us for more information!
