- ✓ Utility room

"In an enviable place, surrounded by an incredible natural environment and a stone's throw from the sea, is this wonderful home distributed on one floor.

It has three large bedrooms with fitted wardrobes and two individual ones, all exterior, a living room with a fireplace to make it more comfortable in winter, an independent equipped kitchen, a large bathroom with two showers and two differentiated sinks (for men and women), and a nice front porch at the entrance of the house. The house has many possibilities of use due to its large plot, either as a private home, retirement activities, equestrian use, bungalow rental, etc. in addition to planting your own garden and savoring your vegetables. Solar panels.

It is located in a natural environment surrounded by pine trees and groves in which nothing can be built around it, guaranteeing your tranquility and harmony, but at the same time, it is less than a kilometer from the beaches of Mijas, one minute by car, 5 minutes from Fuengirola, La Cala de Mijas and 20 minutes from Malaga airport and 15 min to Marbella.
