Charming Triplex in the Heart of Ronda

Welcome to this spectacular triplex property in the heart of Ronda. Completely renovated with the characteristic charm of Ronda architecture, this house has been meticulously refurbished with typical Ronda and Andalusian-style floors.

As you enter, you'll be greeted by a charming porch that graces the front of the house, followed by a garage for your convenience. A spacious entrance hall leads you to a beautiful Andalusian courtyard, which acts as the heart of the property, flooding all surrounding areas with natural light. From here, you enter a bright living room that flows seamlessly into a modern, fully-equipped kitchen.

Upstairs, a spacious hallway leads to the five medium to large bedrooms, two of which have balconies offering enchanting views of the surrounding area. In addition, the property has two full bathrooms, as well as a further bathroom in one of the bedrooms for added convenience.

Finally, on the top floor, the roof has been transformed into a lovely solarium with a laundry room, where you can relax and enjoy the sunny Ronda weather while admiring the panoramic views of the city.
