Cozy town house, recently build and practically brand new.

Located in the old town, in a beautiful pedestrian street, a stone's throw from the typical restaurants and shops of the old part of Marbella.

The house is distributed over 3 floors, communicated through a comfortable and beautiful spiral staircase. It also has a private elevator to all floors.

On the entrance floor is the living room with the semi-open kitchen integrated into the living room.

There is a small and useful toilet on this floor as well.

On the first floor there are 2 double bedrooms and a complete bathroom with a hydromassage bathtub.

On the upper floor, there is a third bedroom also with a bathroom with a shower.

From here you have access to a fantastic and sunny private terrace where there is a small summer kitchen, a Jacuzzi for 4 pax, and an electric awning.

The house has hot and cold air conditioning, fireplace with central heating also in the rooms.
