Magnificent house in the heart of the Riviera del Sol urbanization, one of the most booming areas on the Costa del Sol. This house is divided into 3 floors in which we find a magnificent basement converted into a workshop, for mechanics lovers, and with space for a magnificent play area for the little ones in the house. On its two remaining floors we find 4 bedrooms; One of them is currently used as an office - very bright, ideal if you work from home -, 2 bathrooms and 1 toilet. A cozy living room with a fireplace and a magnificent kitchen with its separate dining area to enjoy your evenings with the family. The jewel in the crown is a wonderful garden full of fruit trees, facing south sunny all day long. The ideal house for your family!!!! Being in a community, the house also has large green areas with a pool area. It has a private parking for at least 3 vehicles.
