This outstanding One level Villa is located in one of Marbella's hottest beach districts, Marbesa, just a few metres from the beach. It is a specially constructed house that offers an elegant way of life. This one-story villa underwent a complete renovation in 2020 and boasts a large swimming pool, multiple outdoor seating areas, a pool bar and a well nurtured landscape. This property features five luxurious en suite bedrooms, a separate dining area, a chic living room with a contemporary fireplace, and an amazing entry hall. Additionally, two of them provide separate areas for dressing and relaxing with open views of the garden.

High-end Gaggenau appliances, such as a big wine cooler and an integrated coffee maker, are included in the open-plan kitchen with an attractive wide island and a separate breakfast patio. Additional features include underfloor heating throughout, air conditioning and heating, solar energy for power, alarm, large solarium, indoor garage for two cars and two spaces uncovered. There is also an entertainment room, separate SPA house with gym, sauna and shower, however, this can be turned into a separate guest house if necessary, and more.
