This spacious and bright apartment on the beachfront with beautiful views of the Mediterranean Sea is located in San Luis de Sabinillas, a five-minute walk from Puerto de la Duquesa and on the beachfront.

From the hall of the property you can enjoy the blue of the sea and the spaciousness that the apartment offers. It has a kitchen with a serving hatch and a laundry room, which makes it bright. With three bedrooms and a bathroom, two of the rooms have beautiful views of the sea and a good orientation to the south, the third room has a charming, long, covered terrace facing south west, which makes the apartment warm in winter and outdoors. Being on the second level of the building, summers will be bright and cool.

It is an ideal apartment to enjoy all year round with its magnificent location just meters from the beach and all services nearby, cafes, restaurants in Puerto de la Duquesa, beach bars on the promenade, banks, schools, pharmacies, it is a great opportunity that you don't find every day.

It does not include a parking space, but there is fairly easy parking available in the area and even renting a garage space is possible.
