Impressive corner apartment unique due to its location in the complex and distribution of the terraces, being the only one with this layout among the full area.

The apartment is distributed in three big bedroom and two bathroom, two of them with direct access to the huge terrace which goes around the full perimeter of the apartment, so you can enjoy at anytime with its different orientation and privacy.

An unique corner unit as there are only three units like this on the full area.

It includes one garage space and one storage room.
