Proximity: Only 300 metres from the Train Station and close to the village.

Location:

Jimera de Líbar is located in the Serranía de Ronda, in the middle of the valley of the river Guadiaro. This charming village is located between two natural parks of great ecological value: the Natural Park of Sierra de Grazalema and the Natural Park of Los Alcornocales. With an average altitude of 540 metres, Jimera de Líbar is divided into two nuclei: the main village at the highest point and the Barriada de la Estación next to the river, through which the Bobadilla - Algeciras railway line passes.

This property is ideal for those looking for a rural retreat with all modern comforts and a direct connection to nature. Perfect for year round living or as a holiday home, offering tranquillity and beauty in the heart of Andalusia.
