Top floor apartment situated in the extremely charming Andalucian style urbanisation of Cortijo de Nagüeles.

This property was totally renovated in 2014 with an open plan kitchen, wooden floors, double glazed windows, home domotic system, split A/C units, and has continously been updated and upkept until date with new terrace floors and more...

As you enter the apartment you will find a spacious hallway that leads you into the open plan kitchen, living and dining room area as well as the first of two terraces. You can also find 2 bedrooms and 1 bathroom on this floor.

On the upper floor you will be pleasantly surprised to find a generously sized master bedroom with a walk in wardrobe, on suite bathroom and a partly covered and partly uncovered terrace with a jacuzzi, sun beds and outdoor furniture, for the perfect sunbathing area or wind down evening.

Included in the price comes a garage and a storage room that you will find in the urbanisation opposite. This was purchased by the seller separately for convenience and extra storage room; which never goes to waste!
