Fantastic penthouse with great orientation and spectacular views of the sea and the mountain of La Concha. Centrally located in San Pedro de Alcántara close to all amenities. Walking distance to stores, supermarkets, school, church, bank... and with easy access to the highway. The property is located on the top floor of the building and is the only apartment on this floor, so it is very private as there are no neighbors on the sides. The penthouse is spacious and has lots of light, has 3 bedrooms (the master with en suite bathroom), 2 bathrooms, living room with access to an amazing terrace with great views, equipped kitchen and laundry area. Located in a gated community with communal pool, elevator, also has parking space and storage room.
