Great opportunity!

Land of 1247m<sup>2</sup> with a construction that would need reform; the construction has ground floor and first floor, the kitchen is outside the house next to the bathroom. There is also a small storage room at the back of the kitchen. Completely flat plot with orange trees and water from the irrigation community, local mains water and electricity.

It is a good opportunity to live in a very quiet area and close to all services.

Call us and we will be happy to show it to you.
