It's not every day you come across a large and elevated corner plot with sea views, but here it is! Even better - the location on Casares Costa in sought after Majestic Hills, close to the beach as well as one of the best golf courses in Europe, Finca Cortesín. It just doesn't get any better than that.

The plot is not bound to any specific house builder, but again, served on a plate, there is a plan for a prestigious villa, drawings that easily could be activated and approved. Should you have plans on your own, be our guest to have them presented to the Town hall. Plenty of opportunities on this gem of gems.
