Los Arqueros Golf & Country Club is a prestigious golf club located in the municipality of Benahavís, near Marbella, in the province of Malaga, Spain. The club was designed by the legendary Spanish golfer Severiano Ballesteros and opened its doors in 1991. It is known for its beautiful setting in the Sierra de Ronda foothills, offering panoramic views of the Mediterranean Sea and the surrounding mountains.

The history of Los Arqueros Golf & Country Club dates back to the late 1980s when Ballesteros, who had achieved great success as a professional golfer, embarked on a career in golf course design. He collaborated with Spanish architect Antonio García Garrido to create a challenging and picturesque golf course in the Costa del Sol region.
