The only new build houses that allow you to walk everywhere.

Distributed over 2 or 3 floors of more than 300m² total, the property has a total of 4 bedrooms and 4 bathrooms, perfectly designed and conceived so that wellbeing and comfort are always with you. In this sense, the bedrooms of the property are en suite, as well as having independent guest bathrooms so that you have the privacy you need.

Its privileged location in Calahonda (Mijas) makes it an outstanding enclave on the Costa del Sol for its tranquillity and connections with the most outstanding places in the province of Malaga.
