It is distributed over 2 floors as follows:

Ground floor: Exterior and interior entrance hall, large living room with fireplace, (ideal for winter days) with access to the outdoor patio area, separate dining room with large windows, large independent equipped kitchen with access to another living room, which in turn has access to its huge terrace where you can hold meetings and outdoor barbecues, and its private garage space. It also has the possibility of making a good private pool, as other neighbors have done.

First floor: Master bedroom with fitted wardrobes, dressing room and en suite bathroom, and access to a large private terrace, three double bedrooms, and a complete bathroom.

A real home, waiting to find a family to welcome.
