Wonderful house located on the beachfront, with sea views and direct access to the traditional promenade.

This property offers us the opportunity to live in the tranquility of a typical and picturesque neighborhood such as El Palo and, at the same time, be a few minutes from the center of Malaga.

Upon entering the property, we will find a very bright hall, thanks to its triple-height ceiling. From there, it will lead us to the spacious living room, which has a dining and rest area with sea views; as well as the generously sized kitchen, the garage and the toilet.

The large core of stairs stands out for the abundant entry of natural light, through glazed walls and a skylight, which give it a unique style.

If we go to the basement, it has a large multipurpose space and a room or office -both with ventilation and natural light- and two storage rooms.

Accessing the first floor, we find the main room; which has a dressing room, en-suite bathroom and - as if that were not enough - a private balcony to enjoy the wonderful views. Continuing on the same level, we have two bedrooms, both with a built-in wardrobe, large windows and access to a balcony. Also a second full bathroom with a bathtub.

On the second floor, the property has: a games, music or reading room and bar; a spacious laundry room with natural ventilation, and finally, there is a large terrace with unbeatable views of the sea, equipped with a barbecue and toilet. A dream space, where you can share pleasant moments with family and friends.
