With rustic land of 2000 square meters with a house of 89 meters registered in the real estate of Estepona, 5 minutes by car from the center.

The land includes several fruit trees and a swimming pool and the house has two bedrooms and a bathroom, all on one floor. The house has an equipped kitchen, open to the living/dining room that it has. There is also a large bathroom with exterior windows.

The house and land need renovation but offer many possibilities for a semi-rural business where guests could reach the center of Estepona by bike in about 15 minutes.
