This fabulous 2 bedroom elevated ground floor enjoys panoramic sea and mountain views from the living room and both bedrooms. Completed July 2024, Ceibas is the latest phase within the prestigious Palo Alto gated lifestyle community.

The Ceibas phase consists of just 10 properties in a single block, gated with gardens, large pool, underground parking and exterior guest parking.

The property comes fully equipped with the latest technology, underfloor heating, A/C hot and cold, separate laundry room with washer and dryer, Siemens appliances, jacuzzi whirlpool and advanced lighting throughout.

The Ceibas community is the only phase in the north sector that will be allowed access to both owner's clubhouses, meaning the proud owners of this apartment will also have access to the brand new clubhouse currently under construction for the south sector with indoor pool, spa, gym, lounge and restaurant.
