This is an impressive modern apartment for sale in a small gated complex located in an exclusive elevated area just 10 minutes from some of the best beaches in Marbella. The apartment has a modern style open plan kitchen, a good sized living area leading out to the terrace with great views that can not be appreciated in the photos. We have two bedrooms and two bathrooms. Within this secure gated complex there is off the street numbered parking for the owners and some quests. The owners in this complex also have the use of exclusive sports facilities such as tenis a fully equipped gym, and a small par 3 9 hole golf course. We strongly recommend a visit.
