Rest assured, ladies and gentlemen, this is an opportunity doesn't arise on a daily basis, but now it's finally here! I could write an essay about this property, but let's stick to the hard facts and here they are:

- 3 bed and 2 bath penthouse located at the corner of the block with panoramic as well as breathtaking sea views
 - Frontline beach complex
 - Not one but TWO private underground parking spaces
 - Private storage unit
 - A 30 sqm terrace
 - Four communal swimming pools, two padel courts and a communal gym
 - Located merely a couple of triple jumps from the beach
 - Duquesa port is literally around the corner
 - Gated community
- Gut feeling says that this gem will not be on the market for long.
