## Authentic Townhouse

- . Bags of charm
- . Lovely views from the terrace
- . Quiet location in the village
- . Close to shops and bars
- . Edge of the village

Nestled within the heart of a quaint Spanish village, this charming townhouse beckons with the promise of a perfect holiday retreat. Steeped in local charm and adorned with traditional architectural elements, this residence encapsulates the essence of a serene and authentic andalucian experience.

### Property Details:

Accessed via a quaint secluded side street you are intrigued to find what this property has to offer. The house has been a holiday home for many years and very much loved, it is with heavy hearts that the current owners are selling their beloved holiday home.

The property has many traditional features, the traditional tiled floors are very beautiful. The property has two double bedrooms (the owners currently use one the bedrooms as a lounge) which works perfect. There is also a single room that is used for storage at the moment.

This townhouse is not just a holiday home; it's an invitation to experience the authentic rhythm of Spanish village life. Whether you're seeking relaxation, cultural exploration, or culinary adventures, this enchanting retreat promises an unforgettable holiday infused with the spirit of Andalucia.
