Bedrooms : 0

Bathrooms : 0

✓ Not furnished

. This is a very large building with the potential to make into a fantastic country home, The property itself can be rebuilt but would need electric and water connecting or simply go off grid, Its in a great location close to the Town Centre of San Miguel de Salinas, where you will find bars restaurants and all the amenities you would require, All the paperwork is in order for this property and is just waiting for someone to bring it back to life
