This rustic country property in a wonderful location offers buyers the possibility to create two separate houses, each with its own entrance on a flat piece of land less than a 20-minute drive to Málaga city and the airport.

The first property benefits from 2 good sized bedrooms, family bathroom, kitchen and a very spacious living room. From here you access a huge, covered terrace.

The second property is open plan with access to the orchard, that boasts a variety of fruit trees.

Sitting between the 2 properties is the swimming pool with terracing surrounding it.

With a small amount of thought and work, this could be a small B&B business or the perfect property for a growing family.
