This exclusive and exceptional beachfront development in the east part of Malaga has been meticulously designed by architect Fernando Perez del Pulgar. It comprises just four apartments, featuring two stunning triplexes and two exquisite penthouses.

The main level of the triplex offers a delightful living room area with an open kitchen style, a convenient guest toilet, and access to a generously sized private garden, which can be customized to include a pool at an additional cost. Moving to the first level, two bedrooms with captivating open seaviews and two well-appointed bathrooms await. Finally, on the ground floor, you'll discover an expansive space that can be transformed into an extra bedroom, a personal gym, a cinema room, or a wonderful play area for the kids. The possibilities for creating your ideal living space are endless.

The penthouses are thoughtfully designed with an open living room and kitchen area, providing a seamless and spacious atmosphere. Additionally, there are two bedrooms and two bathrooms, ensuring comfort and convenience. The living room opens up to a delightful terrace spanning 16.29 sqm, offering a perfect spot for relaxation and enjoyment with stunning views. As a special feature, the top floor boasts a beautiful solarium featuring a jacuzzi, allowing residents to indulge in a luxurious experience while enjoying breathtaking sea views.

The price included one parking space and one storage room.
