Basement

The spa area boasts a hammam, sauna, plunge pool, and shower room, providing a private retreat within your home. In addition to providing extra storage, the maintenance room on this level has a separate water tank that eliminates the risk posed by any potential summer drought. A bar and cinema room complete the list of delights on offer in this subterranean utopia.

Outdoor Spaces

The property's outdoor areas are equally impressive, with glamorous windows and French architecture adorning the residence's exteriors, accompanying a private pool, and meticulously manicured gardens. Multiple terraces provide ideal spaces for relaxation, including a covered seating area and a separate breakfast terrace to enjoy the morning light. The outdoor kitchen is perfect for alfresco dining, creating a seamless indoor-outdoor living experience.
