Investment Opportunity: Commercial Premises with Potential for Tourist Apartments

This commercial premises, located in a community with a private pool, parking and large terraces with sea views, is presented as an excellent opportunity for investors. Located just 100 meters from the beach, it offers unique potential to be transformed into high-yield tourist apartments.

The property has a connection to sanitation, as well as water and electricity supply, which facilitates its conversion into housing. In addition, its private terrace offers impressive sea views, adding an extra attraction for future tenants.

The rest of the ground floor premises of the building have already been successfully transformed into apartments, which guarantees the viability of the project and the profitability of the investment.
