Urban plot of 15,236 m² located on the edge of La Cala de Mijas, opposite the complexes of El Lagar and La Cala Sunset. The plot is flat and has already been segregated into 18 plots, 16 of 825 m², 1 of 972 m² and 1 of 1064 m² for the construction of DETACHED VILLAS. Buildability of 30%. This is a very up-and-coming area with excellent road infrastructure and services already in place and major investment in other new building projects (contemporary villas and townhouses) due to be completed in the next couple of years. Project design, construction, management and financing can all be arranged for the client if required.

The plot is situated just a short 5-minute car drive to the centre of the picturesque La Cala De Mijas, with its abundance of bars, shops, restaurants, supermarkets and fantastic beaches. It is also just 10 minutes' drive from a variety of excellent golf courses including El Chaparral Golf, Miraflores Golf, Santana Golf & Country Club, Mijas Golf and Calanova Golf! The green light has been given to the nearby 'Valle Del Golf' project which will include construction of a new 5 star hotel and 18-hole golf course. The 'Gran Parque de Mijas' will open in May 2025. This will be the largest park on the Costa del Sol, with an area of 270,000 m² and a huge variety of activities including an open-air amphitheatre, boating lake, cycling paths, sports courts, children's playground, skatepark, splashpark and dog training park.

La Cala de Mijas is located midway between Fuengirola and Marbella and from here you can reach Malaga International Airport in approximately 30 minutes by car and Malaga city centre, one of the most desirable city destinations in Europe, in around 45 minutes.

This is a fantastic investment opportunity on the Costa Del Sol!
