This exclusive modern elevated 3-bedroom terrace apartment offers breathtaking panoramic views of the sea, Gibraltar, the African coast, and the mountains – combining modern design, top-quality finishes and Mediterranean lifestyle in one of Cabopino's most sought-after developments: ARTOLA Homes.

Like a first-time occupancy, this stylishly appointed apartment is located within a carefully designed, high-end residential complex with only 72 units, spread over 18 blocks with just four apartments per building. The harmonious architecture, with natural tones and stone elements, creates a sense of calm, exclusivity, and total privacy – all just a 15-minute walk from the beach and local amenities.

This outstanding unit stands out as one of the best in the entire development, offering prime positioning, stunning sea views, and optimal orientation. The apartment features a spacious south-west facing terrace with spectacular views of the sea, mountains, Gibraltar, and Africa, a bright open-plan living and dining area with floor-to-ceiling windows and a luxury kitchen with durable Corian countertops, a practical kitchen island and high-end NEFF appliances including washer and dryer.

There are three bedrooms – two of which are ideal for children, guests, or a home office and a master suite with walk-in wardrobe, en-suite bathroom and access to the terrace with sea views.

The apartment includes two elegant bathrooms (one with a shower and window, the other with a bathtub), underfloor heating throughout, AirZone climate control, electric blinds with wind sensors, a fully installed alarm system, smart lighting, and a ceiling fan on the terrace. With only four units per block, maximum privacy is ensured and elevator access is available. An extra-wide underground parking space, a private outdoor parking spot and a spacious storage room are also included.

The expansive terrace gives you a true penthouse feeling with artificial grass, separate lounge zones, a ceiling fan for warm days, automatic irrigation for the plants and a sea view that turns every day into a holiday.

The high-quality community offers beautifully landscaped gardens with lush Mediterranean plants, a large outdoor pool with stylish straw parasols, a heated indoor pool for cooler seasons, a fully equipped gym with natural light and views, a children's play area, concierge service, and secure gated access. Surrounded by the 18-hole Cabopino Golf Course and within walking distance to the beach and all amenities this property offers the perfect combination of nature, leisure, and lifestyle.

An optional furniture package is available – ideal for a hassle-free move-in.
