This wonderful penthouse apartment is well located at just a short drive to the beaches and amenities of Fuengirola and La Cala. The gated community has a super big communal pool and garden area, and the property is accessed via a lift. The interior is made up of a large kitchen which is semi open plan to the living dining area. There is a large terrace with panoramic views of the sea and the mountains. There are 3 large double bedrooms, 2 bathrooms (one of which is ensuite), and upstairs is a huge roof terrace with even better views. There is a very practical built in storage unit on the roof terrace, and the very low running costs make this property a real bargain!
