This south facing development has spectacular views of the Mediterranean Sea and is close to the beach, the best golf courses and within walking distance of the various amenities in Estepona such as restaurants, bars, shops, etc.

Estepona has still retained its "Pueblo Blanco" charm, situated at the foot of the Sierra Bermeja mountains, west of Puerto Banús and Marbella, has always been one of the hotspots of the Costa del Sol with its own extensive infrastructure of international and local schools, brand new modern hospitals, as well as an excellent selection of sports facilities.

This development offers two, three and four bedroom flats and penthouses with beautiful terraces and private gardens.

The communal areas and spacious interiors are designed to make the most of natural light, with large windows allowing natural light to flood into the open plan living room and fully fitted kitchen with high gloss white cabinets.

Sliding glass doors give access to fantastic terraces with contemporary glass balustrades.

These fantastic flats are highly recommended if you are looking for a good investment opportunity.
