This project is a new off-plan development of contemporary semi detached houses with views over the mediterranean. The 3 and 4 bedroom homes are distributed over 2 floors, together with a garden and the option to add a private pool.

The communal areas include a saline chlorination pool, gymnasium, co working area and landscaped garden areas.

All facilities are in close proximity, including good access to the highway, beautiful beaches, international schools, trendy waterfront bars, beach clubs, fine dining, golf courses and the lively cosmopolitan towns. It is a private and peaceful place to live, close to all the fun that the Costa del Sol has to offer, but not in the middle of it.
