The location also provides excellent access to renowned schools, La Cañada shopping center, and easy connections to the A7 and AP7 motorways.

Set on three levels plus a panoramic rooftop terrace, the villa spans 506 m² of beautifully proportioned living space, blending traditional charm with bright, open interiors.

Main Level

The crown jewel of the home is its expansive roof terrace — offering 360º panoramic views of La Concha Mountain, the sea, and the city below. A magical setting for sunrise coffees or sunset gatherings.

Garden Level

The lower floor hosts three additional bedrooms, a bathroom, and direct access to the lush garden filled with mature fruit trees and a serene swimming pool area — a private haven for outdoor living.
