Incredible apartment to sell with superb panoramic view of the sea, the mountains and the surroundings! Distributed on a single level and situated in a peaceful and calm environment, this real estate property has many qualities that few apartments possess, even in new and modern constructions!

Equipped with a magnificent terrace to which the owner has added a jacuzzi, this apartment sold entirely furnished, offers an outdoor and indoor space outside the common that you will not find anywhere else in the municipality of Benalmadena. It consists of 4 bedrooms (one of which is a suite) and three bathrooms, a large living room and dining room that opens up to the vast terrace, a large kitchen fully equipped as well as a laundry room. The ensemble is sold entirely furnished with two parking spaces and a garage. Air conditioning throughout the apartment, chimney and complete water filtration system. The residence has a swimming pool area particularly attractive as well as a pétanque court. The beaches of Benalmadena Costa are 5 minutes away by car as well as the Torremuelle station and the center of Benalmadena Pueblo. Malaga airport is reachable in 20 minutes. This real estate property is of very high quality, far superior to anything you can currently find in Benalmadena!

If you are looking for an apartment that stands out from the common with an unbeatable view of the sea, it is highly recommended that you do not delay in making a visit, as quality apartments are selling very quickly!
